

FENCE ACCESSORIES

ANCHOR FENCE WEIGHT

30lb low-profile fence weight made from recycled PVC. Fits over standard metal stands and Anchor Stands. Stackable, weather-resistant, and easy to carry. Designed to replace sandbags in temporary fencing systems. Promo code for yellow weights: FENCEBASE15

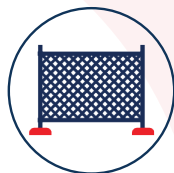

SKU	BF
Weight	30 lbs.
Height	3 in.
Length	19 in.
Width	24 in.
Colors	Black; Orange or Yellow
Application	Worksite Safety
Material	Thermoplastic Compound

SANDBAG ALTERNATIVE

Won't tear, leak, or degrade like traditional sandbags, which require frequent replacements.

COMPATIBILITY

Designed to fit over standard metal fence stands or over the SONCO's Anchor Fence Stand.

10-TO-1 ROI

For every 10 sandbags lost to damage, only one Anchor Weight is lost, reducing replacement costs.
