

6 FT X 7.5 FT CLASSIC FENCECADE

Innovative special fence barricade designed for better aesthetic look and easy installation.

USED BY EXPERTS

Strong, reliant, and durable enough to control large crowds.

SMART TECH

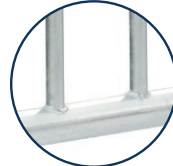

Interlocking technology prevents disengagement.

IMPROVED STABILITY

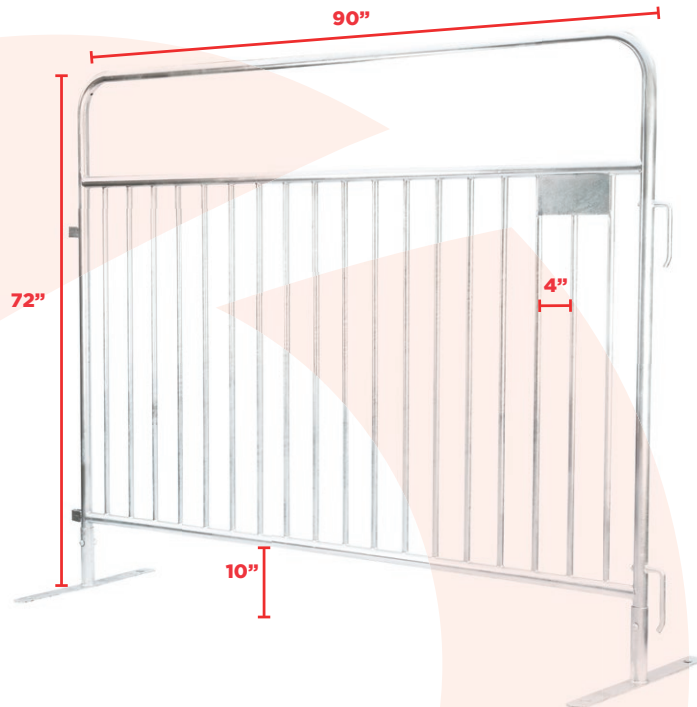

Set-up and installation is quick and easy. Flat feet prevent tripping and save space.

EXTREME DURABILITY

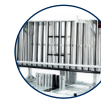

25% more steel for exceptional durability, 16 gauge steel for maximum strength and hot dipped galv. for resistance.
