

TEMPORARY FENCE

6' X 10' TEMPORARY FENCE WITH ANCHOR BLOCKS | TRUCKLOAD

This truckload includes 180 Versa 6 10 temp fences, 181 anchor block bases, and 180 1-3/8" clamps. Anchor Block bases makes the panels more stable and better suited for windy locations. \$1500 freight allowance for truckloads.

6FT X 10FT FENCE PANELS:

Fully laced, cross-braced, and built with 1-3/8 inch 16-gauge steel tubing and 2-3/8 inch x 11.5-gauge chain-link mesh.

ANCHOR BLOCK BASES:

Two-in-one temporary fence base that acts as fence stand and ballast. Made of 41lbs of crack-resistant thermoplastic compound.

CLAMPS WITH HARDWARE:

Saddle-style panel clamps sized for 1-3/8 inch tubing, each including a carriage bolt and nut for installation.
