

## TEMPORARY FENCE

## 6' X 10' CHAIN-LINK TEMPORARY FENCE | INLINE | TRUCKLOAD

This truckload includes 300 units of the 10 ft chain-link fence panels, 301 metal tube stands, and 300 saddle clamps. This bulk order is ideal for large-scale construction and rental operations that need perimeter fencing in high volumes.

6FT X 10FT  
FENCE PANELS

300 fence panels built with 16-gauge steel tubing and a vertical center brace that helps maintain structural integrity and alignment between panels.

METAL  
FENCE STANDS

301 metal tube stands designed for 1-3/8 inch panel frames. These stands provide stable positioning for fence panels on construction and rental sites.

CLAMPS WITH  
HARDWARE

300 saddle style clamps with carriage bolts and nuts that securely connect adjacent panels and help create a stronger and more stable fence line.
